EXPERIENCE

Account Executive

ChingFa Fishing Implements Ltd. | AUG 2018 - AUG 2020 | Pingtung, TW

- Implemented technical solutions to efficiently organize client data and reduce miscommunications between sales and manufacturing staff
- Managed Australia, Canada, and Europe aquaculture market accounts and achieved over 2 million USD annual sales
- Conducted client visits to learn about and satisfy their needs. Conducted in depth market research to find new business opportunities.

UX Specialist & Design Strategist

Artfuse | SEP 2016 - Present | Remote

- Developed creative strategy and design research plan for Artfuse, a social media and networking platform for creative professionals.
- Created a minimal viable prototype that communicated the core value offering of the platform within 4 months based on the insights gathered from design research.
- Created pitch deck and UI mockups that helped Artfuse reach the finals of [eBay and GriffinWorx Accelerator Startup Cup](#) and gain acceptance into Founder Institute.

UX/UI Designer

CM2 | JUN 2018 - APR 2019 | Remote

- Designed and developed the [the company landing page](#) with Bootstrap, HTML, and CSS.
- Designed the UX/UI of CM2 Investment Platform from concept to front-end development with the focus of creating a playful yet user-centric experience that makes real-estate investing more approachable for everyday users.
- Developed and created the brand and image style guide. Designed a wide range of marketing materials from social media banners to promotional advertisements.

Product/UX Intern

Perpetual | JUN 2016 - AUG 2016 | New York, NY

- Designed landing pages and Open edX platforms UI for the non-profit Families First and universities such as Iowa State University and African Leadership University.
- Chosen by management to interact with clients as a result of quickly learning agile development and project management processes.
