# **EXPERIENCE**

# **UX Specialist & Design Strategist**

# Artfuse | SEP 2016 - Present | Part-time

- Developed creative strategy and design research plan for Artfuse, a social media and networking platform for creative professionals.
- Created a minimal viable prototype that successfully communicated the platform's core value offering based on the insights from design research.
- Created pitch deck and UI mockups that helped Artfuse reach the finals of eBay and GriffinWorx Accelerator Startup Cup, gain acceptance to Founder's Institute, and close seed-round funding.

#### **Account Executive**

# ChingFa Fishing Implements Ltd. | AUG 2018 - AUG 2020 | Full-time

- Managed over 20 clients in Australia, Canada, and Europe markets and achieved over 2 million USD annual sales.
- Improved UX of the internal order system to efficiently organize client data and reduce miscommunications between the sales and manufacturing departments.
- Conducted client visits to learn about and satisfy their needs. Conducted in-depth market research to find new business opportunities.

# **UX/UI Designer**

# CM2 | JUN 2018 - APR 2019 | Part-time

- · Designed and implemented landing page with Bootstrap, HTML, and CSS.
- Designed and developed CM Square Investment Platform with the focus of creating a
  playful yet user-centric experience that makes real-estate investing more approachable.
- Developed the brand and image style guide. Designed a wide range of marketing materials from social media banners to promotional prints.

#### Product/UX Intern

# Perpetual | JUN 2016 - AUG 2016 | Internship

- Designed landing pages and Open edX platforms UI for the non-profit Families First and universities such as Iowa State University and African Leadership University.
- Chosen by management to interact with clients as a result of quickly learning agile development and project management processes.
